

Studio Works

The Most Trusted Name In Computer & Software Training

EXPERT INSTRUCTION

QUICK & EASY NAVIGATION

SATISFACTION GUARANTEED

SUPERIOR CUSTOMER SERVICE

As the most trusted name in computer and software training for over 13 years, our comprehensive learning system offers numerous benefits for both the educational and business environments. Save time and money with an affordable and convenient training method that can be used over and over again, at your own pace and on your own schedule. We're committed to superior customer service and your complete satisfaction with our money back guarantee.

We invite you to take a few moments and look at our catalog full of expert, step by step instruction, time saving shortcuts, and the key to mastering your computer and software. Save hours of frustration by learning the essentials from instructors that are knowledgeable, experienced trainers. Our interface features quick and easy navigation, interactive testing, and the ability to print a personalized certificate with the final test score. All of our training products are available in both single user and multi-user licenses.

Many customers have purchased our training products through resellers over the years, but we encourage you to take advantage of the savings when now buying direct! You'll receive a 10% discount on full sets, and pay only \$9.95 for shipping, regardless of the size of your order. Visit our web site for a complete list of products and pricing, see our new releases, check out our sale prices on some older versions, and see what's coming soon. We appreciate your business and thank you for your support as we continue to provide you with the most comprehensive CD-ROM training at an affordable price.

Interface Navigation

Our CD-ROM interface was developed by instructional technology professors, and designed to meet the needs of education and business professionals like you.

All of our training CD-ROMs are cross-platform, which means that you can view them on both Windows and Macintosh computers, including the new Intel Macs. Our interface is user friendly with a helpful index for finding topics easily, practice files to help you become more proficient, and an interactive testing feature that produces a personalized certificate with the final test score.

Each volume is 2-3 hours in length with newer products recorded in High Definition. HD benefits include movies that are larger, containing crisper images, higher quality sound, and more fluid cursor movement. Benefit from the speed and ease of learning while at your computer!

Help Included on every training volume are detailed movies of the navigational features and functionality of our CD-ROM interface.

Web This button links you to the Studio eWorks web site for a complete directory of training products.

Index This button allows you quick and easy navigation of the CD-ROM through the selection of Chapters, Paragraphs, and Keywords.

Quiz Test your knowledge throughout the training or upon completion by answering multiple choice questions and true/false statements that result in a personalized certificate that can be printed with your final test score.

Mac OS X Leopard

4 Volumes

Volume 1 - Pre-Install Checklist, Install Mac OS X Leopard, Using The Mouse, Menu Bar, Apple Menu, Main Menus, Contextual Menus, Desktop & Finder, Volumes & Directories, Windows, Sidebar, Dock

30 DAY SATISFACTION GUARANTEE

If you are not totally satisfied with your purchase, you may return your order within 30 days for a complete refund, less shipping costs. This policy requires that more than 50% of your original order is returned unopened and retains the original seal. MUL purchases can be returned if only the first volume in each training series has been opened. Simply contact us at 1-800-432-2082 and obtain a Return Merchandise Authorization (RMA) number to be written on the return package to ensure proper processing.

METHODS OF PAYMENT

We accept MasterCard, Visa, Checks and Purchase Orders. Please include a copy of the purchase order with your order form, or fax it to 1-386-257-2530. Purchase Orders are accepted from companies, educational institutions, and government agencies on a Net 30 basis from the date of the invoice and must be received before the product can be shipped. Additional payment methods are available when ordering on our web site.

SHIPPING

Place your order by 2:00 p.m. EST (Monday–Thursday) or by 11:00 a.m. EST (Friday) and receive your package within 3 business days via USPS Priority Mail. A flat rate of \$9.95 for shipping and handling will be added to each order. Express Mail and FedEx Express options are also available. Please call or email for details. Customers outside the continental United States, please call or email for available shipping methods and cost.

TECHNICAL ASSISTANCE

If you experience technical difficulties in the operation of your CD-ROM(s), please go to www.studioeworks.com and choose Tech Support for answers to the most common problems. If you don't find the solution to your particular problem, please call us at 1-800-432-2082 during regular business hours.

SINGLE-USER LICENSE

Each individual training CD-ROM comes with a nontransferable license that permits the purchaser to install the training content on one computer to train one user only. Duplication, sharing, multiple installations and/or electronic transmission of any content are in violation of U.S. Copyright and International Copyright Laws.

MULTI-USER LICENSE

Each training series is also available as a nontransferable multi-user limited license that permits the purchaser to install the training content and train a maximum of 20 individuals. With this license the product may be installed on individual workstations, or accessed from a server. Duplication of the CD and/or electronic transmission of any content is in violation of the manufacturer's copyright. If additional sets of CD-ROM media are needed at the same licensed location, they may be purchased at discounted MUL prices.

UPGRADE POLICY

Save 25% by upgrading your training products to the new version! When a software program upgrades and you have purchased the training CD-ROMs for the current version, you may upgrade to the newer version of that specific program for only \$29.99 per volume plus shipping. This policy and pricing is only available directly from Studio eWorks.
